February 2010

Photo by Joe

Senior Ashley and West Bourbon Elementary Cheerleading clinic participants perform a dance at the January 15 high school home game with Colgan. Cheerleading tryouts for 2010-11 will be March 26. This year students may choose to try out for either dance or cheerleading. In the past, cheerleaders have also been the dance team. Practice will be held on March 22 and 24. More information will be in the March ECN.

KIDS making CHANGE!

Submitted by Tracy Smith, West Bourbon Elementary Principal

Did you know that it is estimated that \$10.5 billion in loose change is sitting idle in American households? It's time to empty that coin jar, check in pockets and look under the couch cushions for spare change.

It's time to put all that idle change to work in a way that will make a big difference for people battling blood cancers like leukemia.

During the month of February, the 'WINGS' program for Character Education at West Bourbon Elementary will be collecting spare change and other donations to support

The Leukemia and Lymphoma Society's "Pennies for Patients" program in which students across the country are raising funds for cancer research and service for patients.

More research is needed because, in spite of advances, leukemia causes more deaths among children than any other cancer.

Every penny counts, and all of us at the WBE "WINGS" program thank you!

You can also send checks made payable to The Leukemia and Lymphoma Society.

Jerseys For Sale

The high school football team is selling varsity game jerseys. The jerseys were worn during the 2004 to 2009 seasons. Sizes are large to extra large. They are \$20 each or \$30 for the black and white of the same number. If interested, contact Coach Chad Stroud at 620-756-4301.

**FACS is
RECYCLING!**

The UHS Family and Consumer Sciences classes are collecting plastic containers (all sizes) for storage purposes. They can use aluminum baking pans that many people may use once and toss. They can especially use the 8" x 8" square pans. They are also collecting Campbell Soup labels to help the daycare and Best Choice labels to help the Grant Community Center in Stark. Please send your recyclables to school with your students, or you may drop them off at the school.

Thanks for your help with our recycling projects. Also, parents are welcome to put a valentine heart on their students' lockers before Valentine's Day. The hearts cost 25 cents each and you can personalize them. You may call Mrs. Jean Cook at the school (756-4301) to request the heart or get more information.

Workers Needed

The U.S. Census Bureau needs you! If you are a U.S. Citizen, at least 18 years old and have work experience, call the U.S. Census Bureau at 1-866-861-2010 today. Pay depends on the area where you live.
