<i>JUNIOR HIGH FOOTBALL</i>	<i>SCORE</i>
September 15—NE Arma	14-6 Loss
September 19---Oswego	44-6 Won
September 22---Moran	52-22 Loss
September 26---Thayer	48-24 Won

NE Arma—"The game last night was a complete let down. I believe we played a poor first half and a decent second half. The first half they scored two touchdowns. We scored zero. The second half we scored a touchdown and we kept them from scoring any more. The game was difficult because they played as a team. We could gain a few yards every play but then we would make a mistake and lose some yards or fumble the ball. Arma's running backs could get the edge and get a first down. This happened most of the game. The final score was Arma 14—Uniontown 6." John R.

Oswego--"We played as a team during the game with Oswego. We blocked to the whistle and the running backs ran hard. On defense we made tackles and flew to the ball. By the end of the night the score was 44 to 6, our favor." John R.

NE Arma--"The game with Arma we lost 14-6. I made some good receiving yards. I caught two passes that came to me. I made a tackle in the game and two sacks. We tried to work our best to get back the lead. Tommy Joles got an interception and ran 10 yards." Devonte R.

Oswego--"We won 44-6 with Oswego. I got six tackles, two sacks and recovered a fumble. I almost got a blocked punt but he ran to the right and got tackled for loss. We held them as good as we could to get our yards in running gains." Devonte R.
